

Associate in Arts (AA) Requirements Worksheet

While you are taking the first three preadmission courses to be admitted to the Associate in Arts degree program, you can use this worksheet in conjunction with the **degree course search** to choose your courses (click on "Courses" at our homepage, then "Degree Course Search"). To learn about the admission and degree requirements in depth, please visit the Undergraduate Program website (click on "Degrees" at our homepage, then "Undergraduate Degrees").

It is **important** that you apply to the program in the semester that you anticipate completing the preadmission courses to ensure that you're meeting the degree requirements and to receive all the benefits of degree candidacy, such as priority registration, a Harvard University ID card, eligibility for financial aid, and career services. Moreover, if you delay application, you run the risk of losing degree credit, because the Harvard University Extension School reserves the right to make ongoing changes to admission and degree requirements.

Once admitted to the AA program, you will receive official confirmation of your completed and remaining degree requirements from the Undergraduate Degree Programs Office each semester.

Please note: a minimum of 8 credits of *on-campus-only coursework* and 32 credits of *Harvard-affiliated-instructor (HI) courses* are required.

Expository Writing (two 4-credit courses)

One must be the Harvard Extension School course EXPO E-25 or Harvard Summer School courses EXPO S-20a, 20d, or 20e. If you are concerned about your writing, we encourage you to complete EXPO E-15, the prerequisite course to EXPO E-25 or S-20, first. EXPO E-15 counts toward the degree and as one of the first three courses required for admission.
