Extension of Time Form 2016–17

Instructions to Students

1. Extensions of time are approved at the instructor’s discretion. If it is your instructor’s policy to grant extensions you may use this form to request more time to submit no more than one or two small assignments or final paper/project. Your request will not be accepted if you owe a substantial amount of work. Do not use this form to appeal for a make-up classroom exam, proctored distance exam, or on-line exam; visit the Extension School website for more information on make-up exams or call (617) 495-0977.

2. Complete all three copies of the form. All information is required. Ask your instructor to write your new due date on the form and sign the Student and Office copies. Give your instructor the Instructor copy and keep the Student copy for your records.

Return the Office copy to Academic Services no later than your last class meeting.

Academic Services is located on the 4th floor at 51 Brattle Street.

3. You will receive a “0” for work not submitted by the new due date. This will be included in the calculation of your final grade.

4. You will continue to have access to your FAS e-mail account and recorded lectures in distance courses until the EXT deadline or your grade is changed. You will not have access to e-resources, Harvard libraries, and course websites.
