## Instructions for Completing the 2017–18 Registration Form

**For faster service, register online with a credit card at [www.extension.harvard.edu](http://www.extension.harvard.edu).**

If you do not register online, you may register by completing a current year registration form and submitting it with the payment form and full payment, including one \$50 nonrefundable registration fee each term, to Student Financial Services at the above address. You may also drop your forms and payment in the 24-hour registration box at that address. Refer to specific course descriptions for deadlines by which registration materials must be received at 51 Brattle Street. Please print clearly; illegible, incomplete, or unsigned forms may not be processed. Forms received with insufficient or unacceptable payment may be returned. **NOTE: You must be at least 15 years old to register for undergraduate credit or noncredit; you must be at least 18 years old to register for graduate credit.**

**DCE ID number:** Your DCE ID is a generated number beginning with the “@” symbol. It has been assigned to you if you have registered previously for courses, or taken certain placement tests, at Harvard Extension School or Harvard Summer School. If you are a new student, please leave this section blank and a number will be assigned to you. If you have forgotten your DCE ID number, you may have it emailed to you by selecting “I do not know my DCE ID number” at [extension.harvard.edu/login](http://extension.harvard.edu/login).

**Legal name, mailing address, email address, and telephone number:** As part of registration, you must provide your full legal name (exactly as it appears on your passport or other government-issued identification), gender, date of birth, email address, and current postal mailing address.

All critical Harvard Extension School announcements, such as class cancellations, and most faculty communications are sent via email. If you are registered in any distance education courses, you must maintain an active email address throughout your enrollment. To protect the privacy and security of your student records, you must provide an email address that is unique and not shared with any other person. Duplicate email addresses will be inactivated.

You are responsible for maintaining accurate contact information (postal address, email address, telephone numbers) with Harvard Extension School. If we receive notice that your email address has been rejected by the email host, we will inactivate that email address in our system. Similarly we will inactivate a postal mailing address if mail to that address is returned as not deliverable. You may update contact information online, or by submitting the “Change of Address” form downloadable from the Harvard Extension School website.

Official documentation is required for changes to your name, date of birth, gender, and Social Security number. Please submit changes with documentation on the “Biographical Information Changes” form downloadable from [extension.harvard.edu](http://extension.harvard.edu) and at 51 Brattle Street.

**Native language:** If your native language is not English, you must demonstrate English proficiency to remain registered in many Harvard Extension School courses, and before you may take the test of Critical Reading and Writing Skills (CRWS). See the English Proficiency section of the Harvard Extension School website ([extension.harvard.edu](http://extension.harvard.edu)) for detailed information.

**Courses and credit status:** Copy all requested course information exactly as it appears in the course description. Specify a credit status for each course from the options listed in the description. You must be at least 15 years old to register for undergraduate credit or noncredit; you must be at least 18 years old to register for graduate credit. You must register for undergraduate or graduate credit in any course for which you wish to earn a grade and credit. If you select noncredit you will not receive a grade or credit. If you do not designate a credit status or if you select an unavailable credit option, you are assigned and charged tuition for an available option that corresponds to your tuition payment.

**Student signature and date:** Sign and date the form. If you are under 18 years of age, a parent or guardian also must sign.

**Payment:** Full payment and completed payment form must be submitted with your registration form for your registration to be processed. Harvard Extension School does not accept cash payments.

**Registration confirmation:** After your registration is processed, you can view your course schedule online by logging in to [extension.harvard.edu/login](http://extension.harvard.edu/login).

**Immunization requirements:** Commonwealth of Massachusetts and Harvard University regulations require students attending classes on campus who are enrolled full time (16 credits) in Harvard Extension School or on visas of any kind to be immunized against certain communicable diseases.

**Important information from Harvard Extension School:** If you are not receiving email from Harvard Extension School in your email’s “Inbox”, be sure to check your “Spam” or “Junk” folders for messages from “...@dcemail.harvard.edu” and add those addresses to your email’s “Safelist”.
