## Request for Private Student Loan Certification Summer 2020

Certification of private student loans is based on the cost of attendance for your planned enrollment. For students not admitted to a degree or Premedical program, private student loan certifications will be limited to a maximum of three semesters, not to exceed a total of \$25,000. Private student loans are primarily intended to cover tuition and fees, books and transportation, and are designed to be a supplement to your other financial resources.

Private student loans may not be certified for students who are not in good academic standing. To be eligible and maintain eligibility for private student loan certification, you must complete at least half of the courses you attempt with the following grade minimum: B for undergraduate/graduate students; B-minus for Premedical students.

To apply and receive loan certification you must:

1. complete the lender's loan application using the school code: **00215503**
2. receive approval following a credit check and data verification by the lender
3. complete and submit this form to Student Financial Services
4. receive confirmation from Student Financial Services regarding the loan amount that will be certified

**The loan certification process may take up to two weeks.** In order for you to be able to use your anticipated loan funds to register before the course registration deadline, **Student Financial Services must receive both this form and your loan approval ten days before the course registration deadline. Additional processing time may be required by your lender.**

Student Financial Services certifies the following for your lender:

- your enrollment plans
- that the amount you requested fits within the standard cost of attendance for your planned enrollment
