

## Harvard Divinity School Waiver Information for Degree Program Candidates

The Harvard Extension School (HES) and the Harvard Divinity School (HDS) have partnered to offer Harvard Extension School degree candidates the opportunity to take one 4-credit graduate-level course free of charge that will apply to an Extension School degree.

### To be eligible for the HDS waiver:

- You must be an admitted degree candidate in the ALB, ALM Liberal Arts, or ALM Museum Studies program.
- ALB candidates must have completed 96 credits and have a GPA of 3.5 or higher.
- ALM candidates must, at the time of the application dead-line, have completed 24 credits with a GPA of 3.5 or higher.
- Special consideration will be given to ALB and ALM candidates with either a field of study or concentration in religion, respectively.

**HDS offers a wide variety of courses** designed to appeal to a broad spectrum of interests and to give students both breadth and depth of knowledge in a variety of fields, religious traditions, languages, and concepts. Visit the HDS website, [www.hds.harvard.edu/academics/courses](http://www.hds.harvard.edu/academics/courses), for a complete selection of courses. Seminars are not included.

Your course enrollment is subject to HDS approval. Once approved, you must register for that specific course. Please note that you must take the course for a letter grade. The course will appear on your HES academic record, even if you choose to withdraw. Please refer to the HDS websites for registration deadlines and start dates. Registration procedures will be sent to students awarded a tuition waiver. Questions regarding which courses would or would not count toward the degree must be sent to your specific program advisor.
